**Revision of the annual forecast of the current Fiscal Year ending March 31
2010**

Figures in Million Yen

Forecast of Current Fiscal Year ending March 31, 2010

| | Revenue | Operating Income | Recurring Income | Net Income |
|--|---------|---------------------|---------------------|------------|
| Revised Forecast | 42,000 | 1,400 | 1,200 | 500 |
| <i>Previously Forecasted in Feb 2010</i> | 41,000 | 1,100 | 900 | 400 |
| <i>Last Year's Result</i> | 40,999 | 1,424 | 1,755 | 321 |

As economic recovery prevails and order figures in flat panel and semiconductor related business continued in higher level than we had expected during the last three months, we upwardly revise the annual forecast of the Fiscal Year ending March 31, 2010.

Actual Financial Statement is scheduled to be released on May 14.
