### Regarding Countermeasures against COVID-19

Due to the Japan government's declaration of an emergency for Tokyo, Osaka and other 5 areas, TOMOEGAWA CO., LTD. (Tokyo, President & Group CEO: Yoshio Inoue) announce that the company will continue the operation while bolstering its effort here by taking the following countermeasures.

#### New Coronavirus (COVID-19) Countermeasures

1. Period                      April 8, 2020 (Wed) – May 15, 2020 (Fri)    \*subject to change
2. Response                As a general rule, all employees in Tokyo head office and Osaka sales office work via telecommuting at home using email, telephone, web conferencing, etc.  
                                    Factories operate while taking all possible infection control measures.

TOMOEGAWA place the highest priority on the safety and security of our business partners, employees and their families, and strive to prevent the spread of infection. Rest assured we are focused on providing the high-quality products and service you expect in the safest and most responsible manner. In addition, our overseas sites also continue operating while taking as many countermeasures as possible.

From all of us at TOMOEGAWA, we wish for your good health and safety.
